## PROFESSIONAL EXPERIENCE

**August 2023 - November 2023**

**Grievance Redress Service (GRS), Kolkata**

Grievance Redress Service (GRS) is a system or mechanism put in place to address and resolve issues, complaints, or grievances raised by residents or occupants within an apartment complex or housing society. It serves

as a platform for individuals to report problems, express concerns, or seek resolution for various issues related to their living environment or community.

**January2023- June2023**

**The Grievance Redress Service (GRS) for student]**

Is a system or mechanism put in place by educational institutions, including colleges, to address and resolve various types of grievances or complaints raised by students, faculty, or staff members. It&#39;s designed to ensure a fair, transparent, and efficient process for handling issues or concerns related to academics, administrative matters, discrimination, harassment, infrastructure, or any other relevant aspect within the college environment
